Suddenly Juunii hears strange noises; he sees strange lights in the sky and he begins to feel very strange indeed. This is becoming a strange day.

It's the Fabulous Four! The Fabulous Four are flying out of the sky, coming closer to Juunii. Wow! What an exciting day!

They're going to land in the playground.

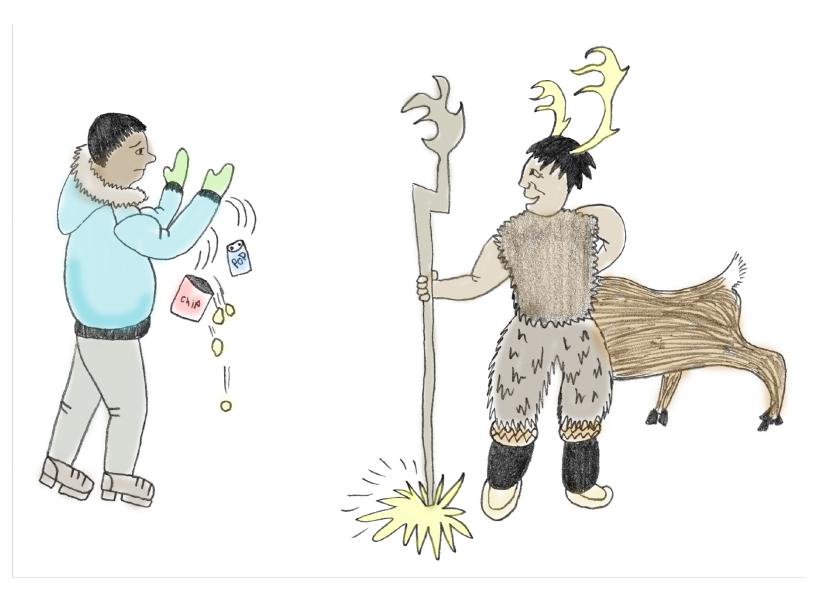

Before Juunii can say anything, King Caribou is in front of him.

"Give up that junk food" says King Caribou.

Juunii is so amazed he can't say anything.

"Hands up or I'll zap you with my antler spear", says King caribou.

Juunii puts his hands up and his junk food falls to the ground. "I give up. You're too strong for me", Juunnii says.

Out of nowhere, wonderful snacks appear.
